

2022

Adopt-A-Pot

Small signs similar to this will be placed in each planter.

Part of what makes our town unique is the beauty at every turn! These pots are kept looking magnificent all year long, but we need your help.

New this year you can Adopt-A-Pot one of our 10 pots out on Main Street. With your donation these pots will continue to bloom all summer and we'd like to show our appreciation with a sign in your pot. You can add your business logo, an in memory of, dedicate it to someone special. Each pot is \$250 to sponsor.
