

## Set-Up Technician / Shop Porter

Burnips Equipment is a family owned, farm equipment dealer. The company offers farm equipment repair services, tractor sales of several different types of equipment from several different brands, and parts retail. We understand that if our customers do not succeed, neither will we!

Burnips Equipment is looking for a reliable, hardworking individual to work as a Shop Porter / Set-Up Technician for our service shop.

As a Shop Porter / Set-Up Technician your duties would include, but are not limited to:

- \*Cleaning and setting up equipment
- \*Cleaning the shop
- \*Pressure washing
- \*Lawn maintenance
- \*Assisting technicians/mechanics

The full-time position would include the company benefits package (Health Benefits, 401k, HSA, Vacation, and Employee Discount).

This position also offers the opportunity for growth. The hours would be Monday- Friday (8am-5pm), plus overtime as needed. Candidates can email [resumes@burnips.com](mailto:resumes@burnips.com) to apply.

Pay: \$14.00 - \$20.00 per hour
