#### BOOK CLUB

Gaging interest in a weekly reading club for this winter. Thinking we will do it for a month this winter, meet once a week and pick a book that has a movie to end it with. Send Kate an email or call with a couple of ideas.

## Choir

I have heard your pleas for bringing the choir program back! It may not be the same choir you are used to; those were big shoes to fill, but I'm trying to figure something out. I've added it to the calendar and would like to see what the interest level is and go from there. My thought is that we work together to put a new program together. I have a little musical background, and have some fun ideas so let's see what we can do! Seeking Choir Director / Pianist if interested let Kate know!

I've filled the September Calendar pretty full! I've added a few things you've had in the past and tried to find some new things. If you have suggestions, I'd like to hear them!  
The Cooking for One Class is provided by MSU Extension Services, as well as Matter of Balance. Attached is a flier for the Cooking for One Class. This is a FREE class. Don't forget to sign up though!

Walking we will meet at the Senior Center for now, I'm looking into some other locations as well. When the weather is nice we will walk outside.
