

Discover COOPERSVILLE

DOWNTOWN DEVELOPMENT AUTHORITY

A program of the Coopersville DDA to encourage historic preservation and the creation and implementation of development plans in the district, and promote economic growth in the DDA District.

It's definitely summer time in Coopersville! We've had a few Music on Main Streets and still have a couple more to go. Coopersville Creamery moved to Main Street, Creative Paints opens the beginning of August on Main Street. And don't forget Coopersville Car Show and Summerfest is the second week of August. There's definitely a lot to do around town, and just because school goes back in to session doesn't mean the fun times are over!

The North Bank Trail clearing began the end of July. Treeworks, Inc will be clearing the way for the trail on the old railroad bed from 80th avenue to 64th avenue. Polkton, City of Coopersville and Wright have all signed letters of support or passed resolutions in support of the efforts of the trail, as well as the Coopersville Marne Railway. The Coopersville Rotary has also stepped up support the trail. They will be accepting donation and holding funds for the trail project. We've held a couple of 50/50 ticket sales during Music on Main, but in September are really ramping up the fundraising. There will be a Wine and Beer Tasting event September 22 at the C & M Ticket Station Building. While we work to get funding from both state and federal levels we need to also raise money for grant matching. The trail will take some time to be completed, and work will be done in phases, but it's in our foreseeable future and that is really exciting for the economic vitality of our downtown!

Our City has really seen a lot of changes over the last few years. Coopersville is growing! As we work to bring more events we hope to create an inviting atmosphere that we want everyone to feel as they shop, dine and enjoy what we have to offer, not only in our Downtown area, but every where. When we all work together we can accomplish amazing things!

Coming Up

August 10-13, 2022 Coopersville Car Show
and Summerfest

August 25, 2022—6:30pm Music on Main
Gunnar and the Grizzly Boys

September 22, - 6pm-9pm North Bank Trail

Be a part of it!

There is always a need for volunteers. If you have time to spare contact Kate at the DDA and she will gladly match your time and talents with something the City has going on!

Try joining one of our non-profits you see working to better the town like Coopersville Rotary or Circle of Friends!
